## **The Silvers Healing Modality**

The Healer uses their hands as scanning devices to identify the energetic out-of-orders within the client's body, re-mapping their energetic state. This non-invasive surgery works on muscles, bones, neurological and spinal systems, as well as internal organs.

\$100 | 10 minutes

## **Shiva Murti Healing**

A Balinese Healing: Kundalini energy is channeled by the Healer into the client, clearing the energetic blocks in the body. The client is able to return to their natural, organic, healthy state of being.

\$100 | 10 minutes

## **Astral Projection**

The Healer connects with the client's Causal-Body to identify and clear ailments residing beyond the physical body. For clients with chronic ailments, this is a cleansing, mind-melting experience.

\$500 | 10-20 minutes

## **Chakra Balancing**

A cleansing and re-energizing of the chakras. The Healer removes any blockages within the client's chakras and re-ignites the chakra points. This process aids in the client's Healing process, adding strength to the body and clarity to the mind.

\$100 | 10 minutes

## **Combination of Multiple Modalities**

Private, in-person Healing Session. This healing includes the use of multiple modalities and is scheduled throughout the week.

\$500 | 50 minutes
